Druckschalter - Pressure switch

contact	_____	Schließe - NO-contact
type of contact	_____	
switching max.	_____	
max switching voltage	_____	25 VAC
dissipation max.	_____	
switching current	_____	2,5 A
thermal load	_____	
breakdown voltage	_____	
max. contact rating	_____	30 VA
switching pressure	_____	fiber
on/off switch	_____	
switching time	_____	
switching max.	_____	
switching voltage	_____	25 VAC
dissipation max.	_____	
switching current	_____	0,7 A
thermal load	_____	
breakdown voltage	_____	
max. contact rating	_____	50 VA
